

Amendments to the 2019 *CRC Rules, Policies, and Procedures Manual*

7.1 Rowlist

The main form of communication for the CRC is the Rowlist list serve. The use and distribution of Rowlist is only available to current and active CRC sweep and dock-only members, and to the representatives of Oregon State Rowing. It is expected that users of Rowlist try to minimize using it for non-essential, rowing-related communication. Questions regarding the functioning of Rowlist should be directed to the CRC's email list moderator. The CRC Board may offer special consideration for departing longstanding club members.
